Beverages of The Week

Draught:

Orbit *White Label Series XX Nico* – Double Kölsch 8.0% (Tap 14)

“The Double Kölsch was the first White Label Series Beer *Orbit* produced back in January 2016. They decided to brew it again for their birthday – 8% on their 8th year! The perfect celebration beer.

Fans of *Nico* will enjoy this extra-strength Kölsch with its pale golden colour and fluffy white head. Aromas of cereal malts with subtle notes of pear, green apple, and herbal hops. Expect to taste a smooth, malty sweetness, balanced bitterness, and a hint of boozy warmth with a long, crisp finish.”

Bottle Shop:

Europe – *Westmalle Trappist Dubbel* 7.0%

“A dark, reddish-brown Trappist beer with a secondary fermentation in the bottle. The creamy head has the fragrance of special malt and leaves an attractive lace pattern in the glass. The flavour is rich and complex, herby and fruity with a fresh-bitter finish. It is a balanced quality beer with a soft feel in the mouth and a long, dry aftertaste.”

UK – *Villages Ramble Rye* IPA 5.9%

“Rye and red crystal rye malts kick things off for a spicy, caramel base. Then it’s a liberal hopping of Amarillo, Topaz, and Chinook for aromas of orange, marmalade, and some dank and spicy notes.”

***Odyssey Shadow Boxing* IPA 6.0%**

“Citra and Idaho 7 love each other. Soft, mellow peach, mango and citrus. Clean, refreshing with a light body making this incredibly drinkable without compromising on hop intensity.”

***Exale Der Titan Dry Hopped Dortmunder* 4.8%**

“Exale’s classic Bavarian lager. This is Exale’s homage to the clean crisp style of beer that has conquered the world. German malt, a matched water profile, German yeast & noble hops all combine with a proper lagering process to produce a palate pleasing take on a classic beer style.”

Wine:

Salvatore Marino Vulcano Chiaro (*Frapatto*) – Terre Siciliane

“Hand harvesting of ripe and whole, intact grapes, destemming- crushing and fermentation by indigenous yeast.”

Château Les Croisille Cocoricot 2020 (*Malbec & Merlot*) – Cahors

“Fermented via semi-carbonic, preserving the juicy fruit flavours and freshness.”
