

Hey friends 🖐️

We've taken the extremely tricky decision to stay closed for the remainder of this year. Of course we wish to see you all, but we've carefully weighed up our options, and we don't believe we can make any viable trade under current restrictions. Info from the Government is so unclear & everchanging that we really feel they're treating our Hospitality sector with contempt. How can one day we be expected to only serve alcohol with a substantial table meal alongside it, and the next day a minister say that substantial meal may be a Scotch egg?! Since we can't decipher the BS, we can't trust that our license is not at risk. We feel as a team that we are better off conserving our energy through December to come back renewed in January 2021. Come then, we'll reopen whatever way we can, so you can count on us putting that plan together in the meantime.

N16 and our webshop are still fully functional for all your needs. We shall take this time to visit & support our suppliers & friends in the industry. We hope you do too. Thanks so much for all the support you lovely lot have given us so far. It's spurring us on & the New Year can't come quick enough. We miss you tonnes & are wishing you the best for the rest of 2020 and until we can have you back in our venues.

Big love, Team MK 🙌
