Beers of The Week

Draught:

Bottle Shop:

Europe – **Westmalle Trappist *Dubbel* 7.0%**

“A dark, reddish-brown Trappist beer with a secondary fermentation in the bottle. The creamy head has the fragrance of special malt and leaves an attractive lace pattern in the glass. The flavour is rich and complex, herby and fruity with a fresh-bitter finish. It is a balanced quality beer with a soft feel in the mouth and a long, dry aftertaste.”

UK – **Drop Project x HIWATT *Rider* Pale Ale 4.5%**

“Brewed in collaboration with one of the world’s most prolific producers of guitar amps, HIWATT.

The brief for this beer was it must be ideal for sinking whilst in the pub or taking in some great bands whilst shouting at your mates. It pours a gorgeous hazy pale straw colour, with an oily and silky mouthfeel.”

Brick Brewery *Peckham Pils* Pilsner Lager 4.8%

“A classically-style Pilsner lager from Brick brewery, made with a combination of Saaz and magnum hops. The result is a fruity, earthy beer that has notes of grapefruit, summer flowers and garden herbs on the palate, with a delightful bitter undertone.”

Anspach & Hobday *The Imperial Baltic* Porter 9.0%

“Aromas of chocolate and roasted coffee dominate the nose, along with notes of herbs & spice. The palate is smooth and chocolatey, with a touch of sweetness balanced by a gentle bitterness.”

US – **The Tank Brewing Co. *La Playita* Hop-Accented Pils 5.1%**

“Old and New worlds collide in this hop-accented pils, where German brewing tradition meets modern American craft innovation. Cold lager fermentation coupled with one of the palest and finest malts available creates a crisp and flavorful palate with a clean finish.”
