Beverages of The Week

Draught:

Orbit *Hakata Pale* – Sorachi Ace Pale Ale 4.9% (Tap 13)

“Lemon peel and lemon verbena on the nose, with more citrus flavours of coconut, lemongrass, & coriander on the palate, create a drinkable pale ale, with a refreshingly dry finish.”

Bottle Shop:

Europe – *Westmalle Trappist Dubbel* 7.0%

“A dark, reddish-brown Trappist beer with a secondary fermentation in the bottle. The creamy head has the fragrance of special malt and leaves an attractive lace pattern in the glass. The flavour is rich and complex, herby and fruity with a fresh-bitter finish. It is a balanced quality beer with a soft feel in the mouth and a long, dry aftertaste.”

UK – *Drop Project x HIWATT Rider Pale Ale* 4.5%

“Brewed in collaboration with one of the world’s most prolific producers of guitar amps, HIWATT. The brief for this beer was it must be ideal for sinking whilst in the pub or taking in some great bands whilst shouting at your mates. It pours a gorgeous hazy pale straw colour, with an oily and silky mouthfeel.”

Villages *Ramble Rye* IPA 5.9%

“Rye and red crystal rye malts kick things off for a spicy, caramel base. Then it’s a liberal hopping of Amarillo, Topaz, and Chinook for aromas of orange, marmalade, and some dank and spicy notes.”

Boundary *A Practical Guide to the NI Protocol Imperial Brown Ale w/ Coffee* 10.5%

“Collab Series with the guys from Root & Branch Coffee. Rich caramel and chocolate flavours from the malt provide the perfect foil for the coffee in this Imperial Brown Ale.”

Wine:

Salvatore Marino Vulcano Chiaro (*Frapatto*) – Terre Siciliane

“Hand harvesting of ripe and whole, intact grapes, destemming- crushing and fermentation by indigenous yeast.”

Château Les Croisille Cocoricot 2020 (*Malbec & Merlot*) – Cahors

“Fermented via semi-carbonic, preserving the juicy fruit flavours and freshness.”
