

## Mother Kelly's Bethnal Green, E2

That's it for now guys... We have taken the decision to shut shop in Bethnal Green. Not forever but just for now.

These are tough times and we feel a great social responsibility to keep our customers and our staff safe. It is a huge relief knowing that we will receive support from the government to help pay our staff and keep the business afloat for now. We look forward to the day we can open the doors and once again pour you all the delicious beer!

We hope you're all holding out ok. Stay safe, be patient and be kind.

Big hugs to you E2,

MK Bethnal Green xx
